

MEMBERSHIP

APPLICATION

The members of ALLEYoOPS clown club provoke smiles and take people's minds off of their daily worries, children, parents, young and old. We attend parades, events, parties and fundraisers, as well as providing entertainment and fun. Through these activities, we raise funds for our club operation, as well as various local charities. We provide our new members with basic instruction in make-up, clowning and balloon tying.

The club is open to anyone of clown character and good reputation. We hold monthly dinner meetings, for the purpose of socializing, learning and planning events.

During your first year, you will be considered an apprentice clown. An initial fee of \$25 will be required of new members, which will help defray the cost of background investigation, instruction and first year's dues. For families wishing to join, the cost will be \$25 for the first family member plus \$15 to cover the rest.

No one under 18 is permitted to join or attend events unless sponsored by an adult.

New members must furnish their own costumes, and if a personal motorized vehicle will be used in a parade, the member must purchase their own liability insurance.
